

The day he took office, a gallon of gas was \$1.89. It is almost \$4 a gallon today.

Mr. Speaker, if America produced its own energy and did not buy so much oil from the Middle Eastern countries, terrorists wouldn't have enough money to buy a box of sparklers to hurt this country.

Mr. Speaker, I have tried to lay out the difference between the rhetoric and the reality of this administration.

You know, I've often heard it said in recent days that America faces a crossroads in the approaching election, but I'm afraid that's no longer the case, Mr. Speaker. No, I'm afraid America took the wrong fork in the road back when we elected Barack Obama 4 years ago, and we are now heading rapidly and precisely the wrong direction.

He has nominated judges who contemptuously ignore the Constitution. He has proudly served as the most pro-abortion President in history. He has forced government-run healthcare down the throats of unwilling Americans. He oversaw the first downgrade of America's AAA credit rating. He has increased unemployment, increased the number of Americans on food stamps. He has thrown hundreds of billions of dollars at failed programs. He has weakened our military. He has blatantly attacked religious freedoms in America. He has allowed Iran to advance their nuclear weapons program; and while abroad, he has continually apologized for America, betrayed our friends, and emboldened our enemies. I'm afraid we see the results of some of that even in these recent days.

I would suggest to you that his promise to fundamentally transform America was no bluff, Mr. Speaker. If this is what Mr. Obama has done in his first 4 years, how much more radical will his agenda be if he secures a second term and no longer has to worry about re-election?

Mr. Speaker, for the sake of our children and our children's children, and for all of America's most noble dreams and ideals, it is absolutely vital that we elect a President who will stand up and arrest this national freefall into which Mr. Obama and his radical leftist ideology have hurled America.

May God give us all the wisdom and the courage to remember who we are as Americans and that there is still hope and time to be all that we were called by God to be as a Nation.

We must not fail, Mr. Speaker.

I yield back the balance of my time.
